After I got out of school, I was married to John Pollock and we lived in Minnesota and later moved back to Iowa to farm. Had a boy John and a girl Jody. In 1975, John was killed in a semi accident. The kids were 10 and 5. Later, I remarried and had a girl, Kimberly. We were later divorced. I live in Janesville and have 7 grandkids, 6 boys and 1 girl. The oldest is off to Drake this fall to play football. I have macular degeneration, so don't drive at night.
