

Dale and Lynda Janssen

Here is what been happening in our lives. We still live 1 mile west of Austinville. We have 3 children, 6 grandchildren. In September of 2016 I was taken to Mayo will a serious heart issue. It was made clear to us that the Lord had something else for me, as he spared me and allowed me to feel good again. In Dec of the same year Lynda had hip surgery and is doing well. We continue to be busy with our business, grandchildren and preaching. We can truly say God is Good. God Bless each and every one of you.

Dale
