Dear Elaine & classmates of class 1963:

It is so good to hear from U & other classmates. Dave & I have lived in our home 42 years & are also looking for a ranch & downsizing. We cont to live in Mattoon, Il- South of Champaign & prob will continue to stay here. I worked 42 years as an RN & then did home care nursing. Now I can't do lifting & knees are giving out like most of us with arthritis. We do a lot of volunteering & work in our church. I would love to see everyone & would come for a reunion. The last group did a fantastic job of organizing the reunion. I have so enjoyed hearing from all the classmates that have responded.
